SMART MARYLAND LAWYERS

. . . are always on top of the latest developments in Maryland law. They know about new interpretations of statutes, extensions of torts, definitions of crimes, decisions of constitutional law.

The **Annual Survey of Developments in Maryland Law** will help you stay on top. Published every year in the third issue of the *Maryland Law Review*, the **Survey** provides comprehensive analyses of important state and federal court decisions on Maryland law.

The **Survey** is different from other publications. Instead of a mere excerpt from the opinion with a few headnotes tacked on, you get a thorough review of the case. We put the case in its legal context, describe the factual background, and explain how the decision affects existing law.

To order the **Annual Survey of Developments in Maryland Law** or to subscribe to the *Maryland Law Review* please complete the form below and return it to us with your payment. Please make your check payable to Maryland Law Review, Inc.
